Dear Judge Zobel:

Please allow me more time to retain new counsel in the case that you are presiding over:
Civil Action No. 04-1 0460 RWZ (Quaglia v. Bravo Networks et al).

Since February 10, 2005, I have researched potential law firms to represent me. I have interviewed dozens of lawyers by telephone, sent case materials to several, and have been in discussions/negotiations with them. In addition, I work full time and care for my three minor sons.

Also, I may need to raise a substantial amount of money to retain one of the law firms that I am in serious discussions with concerning this case.

However, if new counsel cannot be retained in a timely manner, I will represent myself pro se. Thank you for your consideration in this matter.

Sincerely,

Frank Quaglia
